

The mission of Big Brothers Big Sisters is to provide one-to-one relationships for children in our community enabling them to become individuals who have brighter futures and are equipped to make a positive impact. Local studies show that children matched with a Big Brother or Big Sister through our agency have demonstrated improvements in various areas. Below are just a few highlights:

- 97% are more self confident overall
- 94% demonstrate the ability to make better decisions
- 94% have a more positive attitude toward school
- 79% perform better academically

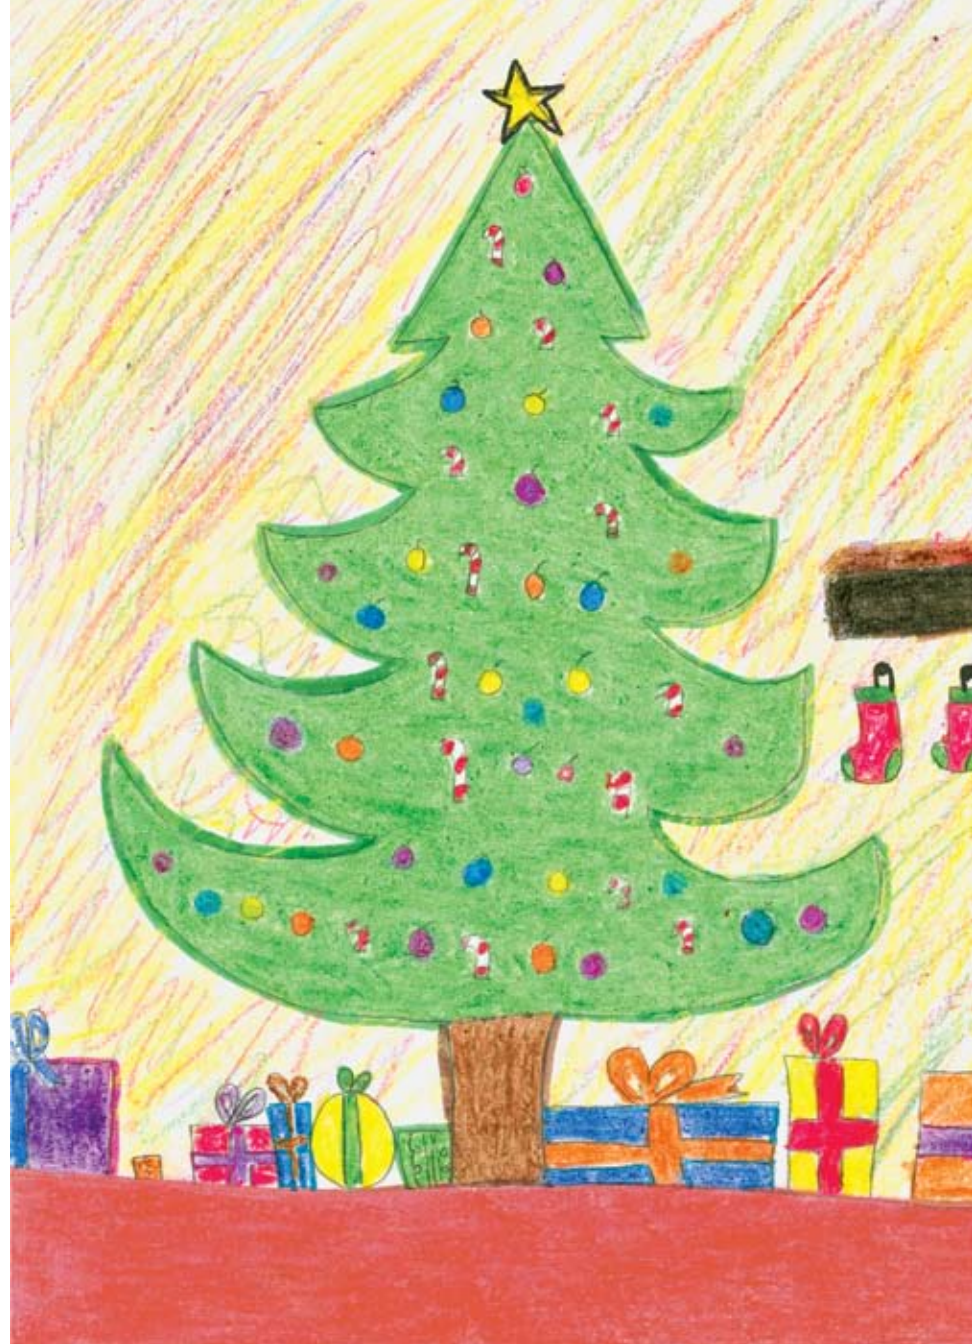

To find out more about volunteering or supporting our programs financially, please contact us.

Little Moments, Big Magic!

All proceeds from the sale of this card directly benefit the children served by Big Brothers Big Sisters.

*May life's true magic
fill your holidays with joy!*

The cover artwork was especially created for Big Brothers Big Sisters by our Little Sister, Zoe. Zoe is one of the 600 children BBBS serves annually. Currently there are 120 children waiting for a Big Brother or a Big Sister.
